Its first meeting took place on September 17, 2019 at the SCPA meeting room. The WG consists of experts from the ASP HQ Community Policing sector , Public order directorate, commissariats as well from the SCPA Program. 4 meetings of the TWG were organized so far, and work is ongoing intensively for meeting the set goals within the agreed timeframe

Local Council for Public Safety in Peqin set up.

Supported by SCPA, the Local Council for Public Safety was established in Peqin.

Thanks to the fruitful cooperation of the responsible actors like the Municipality of Peqin, the Local Police Directorate of Elbasan, the Peqin Commissariat, the Education office, the local health care office, the religious community and NGOs, it was established the Local Council for Public Safety.

All the stakeholders involved, committed themselves to cooperate and increase the safety of Peqin municipality.

The NGO ‘Tjeter Vizion’ facilitated the whole process, an activity carried out under the project ‘Keeping the family and children safe’

Activities related to Domestic Violence

Focus Group, LPD Vlora.

The Vlora Youth Center organised on the 20th of September a focus group meeting with the Local Police Directorate of Vlora.

During this meeting were discussed the perceptions and the needs of the police with regard to community policing and recommendations were further elaborated.

This activity was carried out in the frame of the project 'Community Policing Challenges and Perspectives in Vlora region', funded by the SCPA Programme.

Info sessions on DV&GBV Legislation and Protection

On September 20th and 30th, The psycho-social center 'Vatra' held two information sessions with the representatives of the community of Oriku municipality and the community of Novoselë .

The delivered topic was 'Informing the community on the causes and social consequences of the domestic violence and gender based violence'.

During the meeting, the discussions with the community were mainly focused on in the most efficient ways to address DV cases and its social consequences.

This center also developed other info sessions sessions with the representatives of the community of "Qender"

The discussions were mainly focused on the causes and consequences of domestic violence and gender based violence and they were also informed on the current legislation and the protection mechanism in place for the DV victims.

The most efficient ways to address such DV and GBV cases were also shared with the persons present.

Round Table on DV cases in Rrëshen municipality

H.A.N.A centre organised a round table in Rreshen on setting a common agenda to deal with DV cases based on the Community Policing approach.

There attended representatives of the local police, municipality, state social service, prefecture and psychologists, teachers, social workers and members of the community.

Open forum on Safety in community in the municipality of Maliq

The National Association of the Social Workers organised on the 27th of September 2019 in the high school 'Skenderbeg' in Maliq an open meeting on the safety in community and how the cooperation with the police can be increased. In the meeting participated CPOs and social workers of Maliq municipality.

During the meeting, the present youngsters were informed on the work done by the police, how they can cooperate in cases of conflicts and on the available services in the area.
